SUMMER AQUATIC ACTIVITIES

Bridport Leisure Centre offers a range of Aquatic Activities through out the school summer holidays, with something for everyone, from Beginner Intensive courses to Technique Workshops, Aquafit and Lessons for Adults not to mention Snorkelling and 3 Day courses for Rookie Lifeguards and Synchronized Swimming.

Please see Summer Holiday Activities Leaflet for full details. Bookings taken from 11th July at Reception.

Question:- How can I help my children to improve their swimming?

Answer:- By coming for a swim in between lessons! As Swimming Teachers we can see the difference in confidence and ability with the children who swim regularly as well as having lessons.

Remember Bigfish Swimming Lessons continue throughout the School Holidays, and as a member of Bigfish* you can swim during any public swimming session in the School Holidays for free! Just bring your swipe card to Reception, tell them the day and time of your lesson and you will be issued with your free swimming ticket. Remember to hand your swimming ticket to the lifeguard on poolside. (*Under 8's must be accompanied by a paying adult).

Did you know you can get a cool off swim ticket while your child is attending a class at Bridport Leisure Centre? Just ask at Reception for details.
