

BRIDPORT & WEST DORSET SPORTS TRUST LTD

(registered charity no. 267781)

HELP PROMOTE SPORT & LEISURE WITH A CHARITABLE LIFETIME GIFT OR A BEQUEST IN YOUR WILL

The Trust owns Bridport Leisure Centre and is committed to providing sport and leisure facilities to the inhabitants of West Dorset and visitors to the area. The Centre was established through a charitable bequest some 25 years ago and has developed since then through the generosity and support of the local community.

The Trust is managed by a Committee largely comprised of local residents who give their time voluntarily, employing a General Manager and staff to run the Centre. All profits are retained to improve the Centre.

The facilities include a Swimming Pool, Toddler Pool, Fitness Suite, Cricket Pitch, Rugby Pitches, Squash Courts and a Real Tennis Court at Walditch. Provision is made for those with disabilities with fully equipped changing rooms and pool hoist. The range of activities encourages people of all ages to attend the Centre.

As well as providing leisure facilities, the Trust is a major employer in Bridport with a staff of around 80, many of whom are trained in a career in Sport & Leisure.
