

Employee of the Month

OCTOBER & NOVEMBER

TOM & SAM CLEVERLY

Tom and Sam Cleverly affectionately known as the 'Cleverly Brothers' have worked at the Leisure Centre on a casual basis for the past two years. Whilst they have primarily worked as Centre Assistants they have also worked as Bar Staff in the Pavilion and helped out with the Bridport Leisure Centre Children's Parties.

It seems that everyone around the Centre including staff and customers alike have nothing but praise for the twins, points to note being:

- Always able to fill a shift at short notice.
- Nothing seems to be too much trouble.
- They simply get their heads down and get on with the job.
- Reliable, responsible and trustworthy.

Tom

Tom has worked at the Centre for two years and is currently on a gap year. He is travelling to New Zealand after Christmas and next Summer he will be completing a Mountain Bike Instructors course in Switzerland. After this he will be attending Birmingham University to study Engineering.

Sam

Sam has worked at the Centre for a year and a half. Sam too will be heading to New Zealand and later next year he will be visiting Canada. After this he will be attending Buckingham New University to study Film and Television Production.

The brothers are clearly a major asset to the Centre so Thankyou both and keep up the good work!
